What else should we do with our lives? I don't mean that in a resentful, snarky way. I've had it happen to me in the past and it's not good. What I mean, is what else should we do? I personally, don't find any other way to make a living than building WordPress websites. It really is that simple. It's a labor of love. If you're going to do any work for someone else, it shouldn't be at the expense of a human being. They deserve more than a shopping center with a fountain and a natatorium. A couple years ago, I started to notice that there were a lot of startups out there. A lot of them were doing things I wasn't doing. I began to think about what I should do with my life. What else should I be doing. Because it seemed there was room for b7e8fdf5c8

Q: Javascript array in php file dont work I am new to PHP and I have a problem. I got some javascript code from a book: `function doSomething(array) { for (var index = 0; index < array.length; index++) { displayArray(array[index]); } }` This code works as it should. If I call the function in the same file like this: `function displayArray() { var array = [1, 2, 3, 4, 5]; doSomething(array); }` And then call the button, it displays nothing. If I call the function in the same file like this: `function displayArray() {`
