In-Game Controls In-game controls include customizable controls and three different player models. The game features customizable controls and three player models. A variety of motions can be assigned to different movement tasks and customizable buttons support quick access to specific actions. New power-ups include the switch ball, which when thrown into the air allows you to move and adjust the ball's movement with the stick, and the dive kick, which allows players to launch themselves into the air to perform spectacular goal-scoring acrobatics on defenders. On-ball actions include juggling, one-timers and the "undo" action, which allows players to spin back on themselves after completing on-ball actions and running at full speed. Licensing Licensing rights include the iconic English Premier League, La Liga, Italy's Serie A, Spanish second-tier Segunda Division, French Ligue 1, German Bundesliga, Brazilian Serie A and many other leagues and top-division clubs across the globe. Play Mode Play modes include Start, End and Play to Win. Play starts with one of the four teams: Chelsea, Bayern Munich, Manchester City or Paris Saint-Germain. The host club supports the national team of the home territory in all the matches, with the exception of the Trophy Match, where the designated home team plays the role of host. The match starts with the match being 3v3, before being reduced to 2v2, and then 1v1. The winning team is determined via points scored in regular matches and in the final game of the Play to Win feature. In Play, you must be an active user on the FIFA Ultimate Team app, and then you will be presented with the choice of how the game would progress. You can play full seasons, or in Play To Win, you choose a star rating that will dictate what the match will look like. Career Mode Career Mode is now complemented by the Pro Evolution Soccer (PES) Club Mode, allowing you to build and manage your own squad and compete in friendly matches and tournaments against other clubs. During these matches, you can either select which opposition you'll take on, or you can make your own selection. Training Mode Training Mode gives you the chance to manage and develop your team using a number of training drills. You are given a coach who will guide you through the training drills,

FIFA is the world's leading sports game franchise. This is our seventh year developing our signature game, FIFA, and we're excited to share that FIFA 22 is powered by EA SPORTS, bringing fundamental gameplay advances and a new season of innovation to the game across every mode. What is FIFA Ultimate Team? FUT is a game mode that invites you to build and manage your dream team, complete with a star-studded player roster, by amassing and trading new and classic players from around the globe. Players can be purchased using coins earned in-game or in the store. What are the Season Long Leagues? The Seasons feature lets you create and compete in multiple leagues to win exclusive awards and earn Ultimate Team Championships. The Season Leagues feature supports a full single-elimination tournament structure to bring the most action to your gameplay. Check out all the details below: Season Leagues To participate in the FIFA Season Leagues you must create a Franchise. Once you have created a Franchise you can join one of the 8 available Leagues. Make sure to choose the league you want to compete in. Season League Info 1v1 Cup The 1v1 Cup is a one-player-on-one-player-only competition. Three groups of four teams, chosen by their FIFA Ultimate Team rating at the end of the regular season, play a single round-robin tournament with the two highest-rated teams in each group advancing to the Playoff. To get qualified you have to spend at least $1,000 in the store. You can earn points from matches and match awards with players that you are selling in your team. Home and Away Series The Home and Away series is a series of double-headers each season where the two highest-rated teams from the previous season, plus one new team, play four matches against each other. The first two matches of each double-header will be played at home and the next two will be at away. Matches will be refereed by FIFA Ultimate Team accredited referees who could have their ratings boosted. You can earn points from matches and match awards with players that you are selling in your team. Season League Info World Cup One of the most popular modes in FIFA, the FIFA World Cup allows players to compete in the tournament as any of their national teams. The mode includes matchdays, pre-t
